GUEST SPEAKER

Kim Mishler

Born and raised in Louisville Ky, Kim Ray Mishler, grew up with the old-fashioned Eastern Ky influence of her parents and grandparents. She met her husband, Joel, an Indiana entrepreneur, through a business sales call. That phone call resulted in Kim being transplanted to an all-new culture - Northern Indiana's Amish Country. Kim and Joel have three adult children and have been blessed with 2 grandsons just 11 months apart in age. Kim is convinced we are all afflicted with the "human condition" and because of that . . . crazy things can happen! She stands firm in her belief that a sense of humor and lots of prayer is always the best medicine! Kim is a church secretary, blogger, photographer and a published Author. Her novel, A Life Rescued, is the answer to God's call to write a story about adoption, redemption and hope. She loves Jesus, telling stories and Coke Zero!

Jesus replied: "Love the Lord your God with all your heart and with all your soul and with all your mind."

Matthew 22:37
